Dear Mr Foy,

Nex Metals Explorations Ltd – Request for Trading Halt

Pursuant to Listing Rule 17.1 Nex Metals Explorations Ltd (“the Company”) requests an immediate trading halt in respect of its shares (ASX: NME).

The reason for the trading halt is that the Company is in the final stages of finalising an agreement with an announcement to follow.

It is expected that the trading halt will end when the Company is in a position to provide further information to the market in relation to the contract. We request that the trading halt commences immediately and ends when the announcement is made.

The Company is not aware of any reason why the trading halt should not be granted or of any other information necessary to inform the market about the trading halt.

Yours sincerely

Nex Metals Explorations Ltd

Ken Allen
Managing Director
