Dear Sir/Madam

Quarterly Report for the Period Ended 30 September 2015

Nex Metals Explorations Ltd (Nex or the Company) provides the following update on recent Company activities.

- Yundamindera Exploration Continues.
- Evaluation of various projects.
- Continuation of Legal Action

Yundamindera Exploration

As a continuation from previous quarter's activities the Company has continued the review of the Yundamindera Project with consultants and the suitability of a JORC-compliant resource estimation with the intention of follow up drilling for near surface resources. The intention being for mining/processing of near surface gold using a low cost processing method. Metallurgical testing is in process to determine the suitability of the ore for the proposed processing method. Nex continues to talk to interested parties with respect to the project including sale, Joint Venture, tribute and/or other commercial arrangements.

Concurrent to activities at Yundamindera the Company has continued its field works at Cosmopolitan/Champion/McTavish and Leipold deposits.

The Company continues to manage the Kookynie Gold project.

Evaluation of Projects

The Company continues to have projects presented to it for evaluation during the past quarter extending from Gold, base metals, copper and diamonds.

Continuation of Legal Action

During the quarter the Company attended a Mediation Conference at the Supreme Court with Stone Resources Australia Limited (ASX:SHK) there was no resolution at that meeting so parties agreed to move to the discovery process during the next Quarter with further dates then to be determined by the Court.

Administration

The Company worked with Deloitte during the Quarter on the 2015 Research and Development Rebate which is expected to be lodged during the next Quarter the amount is expected to be around \$600,000. In addition the receivables of \$1,300,000 is expected over the next 2 quarters. The Company has continued to take significant steps to reduce expenditure for the Company including entering into agreements which take over significant expenditure commitments on tenements. These agreements amount to expenditure savings to the Company of \$700,000 a year whilst maintaining our obligations to the DMP. The Company has been in consultations with Curtin University with various research and development matters and the Company is in discussions with parties with respect to funding the outcomes of this research into commercial gold production.

Notes

- 1 The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity wanting to disclose additional information is encouraged to do so, in a note or notes attached to this report.
- 2 The "Nature of interest" (items 6.1 and 6.2) includes options in respect of interests in mining tenements and petroleum tenements acquired, exercised or lapsed during the reporting period. If the entity is involved in a joint venture agreement and there are conditions precedent which will change its percentage interest in a mining tenement or petroleum tenement, it should disclose the change of percentage interest and conditions precedent in the list required for items 6.1 and 6.2.
- 3 **Issued and quoted securities** The issue price and amount paid up is not required in items 7.1 and 7.3 for fully paid securities.
- 4 The definitions in, and provisions of, *AASB 6: Exploration for and Evaluation of Mineral Resources* and *AASB 107: Statement of Cash Flows* apply to this report.
- 5 **Accounting Standards** ASX will accept, for example, the use of International Financial Reporting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.
